

A photograph of Pelé smiling broadly while holding a golden trophy aloft with both hands. The trophy is a stylized, abstract sculpture of a soccer player in mid-stride, made of polished gold. The background is a dark wood-paneled wall.

DIÁRIO dá prêmio ao Rei Pelé

Um dia depois de completar 70 anos, Pelé recebe do DIÁRIO troféu especial de melhor jogador da história do Paulistão. P54 e coluna do Datena, na P6

A close-up photograph of Pelé kissing a golden trophy. He is wearing a dark suit and tie. The trophy is the same stylized soccer player sculpture seen in the other image. A white circular callout box is overlaid on the right side of the image.
